Pipe Vice With Stand

Stand is of robust construction and is suitable for workshop and site use. Essential for use whilst cutting, bending and threading pipework.

Hinged pipe vice, used for repetitive tasks on pipework. The frame of the pipe vice is made from cast iron with jaws made from hardened tool grade alloy steel with a corrosion resistant coating. The top jaw of the pipe vice is held in position with a hook which automatically engages when the vice is closed. Can be fitted to bench or stand.

Code	Size	Length	Width	Height	Capicity	kg
