Push Pull Pole (Safety Hand Tool)

Adopted by almost all major Oil & Gas industry companies worldwide

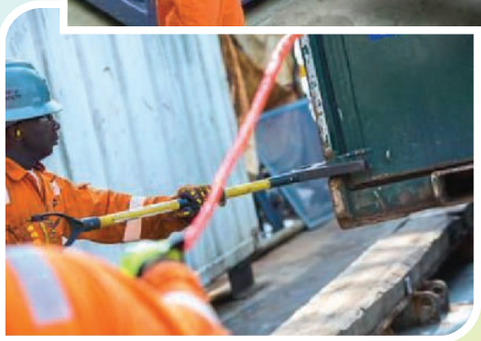

Purpose

To manufacture a line of safety products that provide rig operators a meaningful way to create safer working conditions and implement evolving risk management safety protocols. When used effectively & as designed, our products provide a buffer zone of safety where rig personnel can guide, maneuver, spot and land suspended loads & work drill pipe on the platform.

Operators now have a way to mitigate risk by equipping & training workers to not place themselves in danger working in an unsafe proximity to, or under hazardous suspended loads.

Applications

Drilling platforms: offshore and onshore, loading and unloading OTR trucks "Hands Free" Guiding, spotting and landing suspended loads Maneuvering drill pipe and all types of tubular on pipe racks or on the platform Snagging taglines and sling legs Ratings.
